Funding Date: 2018.06 to 2019.06

Funding agency: World Health Organization

Role: Administrative colleague

Title: Installation of stillbirth registry and organizing case assessment committee: determining the incidence, causes and risk factors of stillbirth and providing preventive interventions

Funding Date: 2017 02 to 2018

Funding agency: Ministry of Health and Education
Role: Principle Investigator
Title: An integrated framework for implementation of the national document of early child development in Iran
Funding Date: 2017.04 to 2018.04

**Funding agency:** Ministry of Health and Education **Role:** Principle Investigator **Title:** Evaluation of class management and resilience and play" project **Funding Date:**2017 to 2018

Funding agency: Ministry of Health and Education
Role: Principle Investigator
Title: An integrated framework for implementation of the national document of early child development in Iran
Funding Date: 2017-2018

Funding agency: Ministry of Health and Education
Role: Administrative colleague
Title: The impact of a results-based motivating system on population levels of the noncommunicable diseases risk factors in Iran: A field trial study"
Funding Date:2017-2018

Funding agency: Iran University of Medical Sciences
Role: Administrative colleague
Title:Evaluation of mental health in undergraduate and general medical students entering in Iranian University of Medical Sciences
Funding Date:2018-2019

Funding agency: Ministry of Health and Education

Role: Administrative colleague

**Title:** Hospital Data Project as a part of the National study of burden of disease, Injuries and risk factors which is the first national study in Iran aimed to gather data of 300,000

inpatient records data from all hospital of Iran through an online-offline web-based system based on electronic version of a valid questionnaire **Funding Date:**2016-2017

Funding agency: Ministry of Health and Education
Role: Administrative colleague
Title: Evaluation of urban phase of preventive and control program of diabetes in
Tehran(Thesis of specialist Doctor of Community Medicine
Funding Date:2016-2017

## **Teaching Experience**

### **Course Director and Instructor**

Principles of Health Services Course

Principles of Demography and Family Health Course

Epidemiology of Communicable and Non–Communicable Commom Diseses in Iran Course

Department of Community and Family Medicine, School of Medicine,

Iran University of Medical Sciences (IUMS),2018-2022

### Instructor

Research Methodology Course

Medical Etiquette Course

**Epidemiology Principles Course** 

Intership in Community and Family Medicine Course

Department of Community and Family Medicine, School of Medicine,

Iran University of Medical Sciences (IUMS),2018-2022

## **Research Trainees**

Dr. Mohhamad Moradi (MD Student in IUMS) Dr. Niusha Mokhtarbaf (Psychiatry Speciality Student in IUMS) Dr.Maryam Moradi (MD-MPH Student in IUMS) Dr. Sadaf Salehi (MD-MPH in IUMS) Dr. Mahshid Rouhravan (MD-MPH in IUMS) Dr Elham lotfi (MD Student in SUMS) Dr Vahid Rasi (Family Medicine Speciality Student in IUMS) Dr Frans Minagar (Family Medicine Speciality Student in IUMS)

### **Peer-review Activities**

International Journal of Public Health

## Computer knowledge

MS office (Word, Excel, PowerPoint) and MS project Software (STATA, SPSS )

## Language Proficiency
