EDUCATION

2015 - 2020

Ph.D. in Health and Social Welfare

GPA 19.30 /20

Department of Social Welfare Management, [University of Social Welfare and Rehabilitation Sciences](#), Tehran, Iran (Ranked 2st among Iranian Universities)

Thesis title: Inequality and Multilevel Analysis of Out-patient Health Services Utilization in the Households of Tehran in 2019

2004 - 2007

Master of Rehabilitation Management

GPA 19.10 /20

School of Rehabilitation Sciences, [Iran University of Medical Sciences](#), Tehran, Iran (Ranked 1st among Iranian Universities)

Dissertation title: Comparison of the attitude of trained and untrained teachers of ordinary primary schools in Tehran about the inclusive education of exceptional children in ordinary schools

2000 - 2004

Bachelor of Occupational Therapy

GPA 18.35 /20

Department of Occupational Therapy, [University of Social Welfare and Rehabilitation Sciences](#), Tehran, Iran (Ranked 2st among Iranian Universities)

Dissertation title: Application of adaptive equipment in the daily activities of people and the elderly

Employment Experience

Assistant Professor of Health and welfare

Tehran,

Iran

22 July 2024-present

[Department of Community and Family Medicine, School of Medicine, Iran University of Medical Sciences](#)

Member of the Research Council of Preventive Medicine and Public Health Research Center, Iran University of Medical Sciences

November 2023-present

Health Research Assistant

Aug 2018-21 July 2024

Tehran, Iran

[Preventive Medicine and Public Health Research Center, Iran University of Medical Sciences](#)

- ❖ To write research proposals, papers and other publications
- ❖ To design and implementation of research projects
- ❖ To deliver lectures to undergraduates and masters students on the subject of Methodology, Social Determinants of Health, Health Economics, Micro and macroeconomics and Social Welfare.
- ❖ To collaborate with other researchers and institutions as a research member.
- ❖ To provide support in research activities and documented findings.
- ❖ To attend researchers' meetings
- ❖ To provide research training workshops and software introduction to other new researchers.
- ❖ To attend and to present research findings at conferences and seminars
- ❖ To participate in campus meetings and professional committees.
- ❖ To support research students to achieve their academic goals.

Research expert in Development, Innovation and Intellectual Property

March 2014-Feb 2017

Tehran, Iran

[Development, Innovation and Intellectual Property Center, Iran University of Medical Sciences](#)

- ❖ Peer-review of received declarations as the Inquiry Office of the Intellectual Property
- ❖ Holding workshops and training courses for faculty members and students to get familiar with the concept of intellectual property and internal and international patents, searching patents in Patent Engines
- ❖ Search Expert of patents in Patent Engines (PATENTSCOPE, Espacenet, ...)

- ❖ Providing guidelines and consultation to faculty members and students to familiarize and facilitate the patent process.
- ❖ Monitoring the patents of faculty members and students of Iran University of Medical Sciences to identify the superior inventions with the ability to commercialize them and introduce them to knowledge translation agencies and development center.

Lecturer

 2012-2024

 Tehran, Iran

[Department of Community and Family Medicine, School of Medicine, Iran University of Medical Sciences](#)

[Department of Management, Payame Noor University \(PNU\)](#)

Expert in Mental Rehabilitation

 2008-2014

 Tehran,

Iran

[Roozbeh Hospital, Tehran University of Medical Sciences](#)

- ❖ Mental rehabilitation specialist for patients with psychiatric disorders as an occupational therapist
-

Teaching Experiences

- ❖ Teaching of Preliminary Research Methodology and Biostatistics for Medical Students in IUMS
- ❖ Teaching of Health Economics for Medical Students in IUMS
- ❖ Teaching of Principles of Health Services for Medical Students in IUMS
- ❖ Teaching of Principles of Youth Health for Medical Students in IUMS
- ❖ Teaching of Principles of Evidence-Based Medicine for Medical Students in IUMS
- ❖ Teaching of Medical Etiquette for Medical Students in IUMS
- ❖
- ❖ Teaching Preliminary SPSS software for Master Students of Parasitology and Anatomy in IUMS
- ❖ Teaching Epidemiology of Common Diseases for International Medical Students, IUMS
- ❖ Teaching Epidemiology and Principles of Disease Prevention for Master Students of Parasitology and Anatomy in IUMS
- ❖ Teaching Epidemiology and Principles of Disease Prevention for Master Students of Mycology and Midwifery in IUMS
- ❖ Teaching Preliminary Research Methodology for specialist assistants of Medicine in IUMS.
- ❖ Teaching Micro and Macro Economics for Bachelor Students of Industrial Engineering in Payame Noor University
- ❖ Teaching Public Administration for Bachelor Students of Industrial Engineering in Payame Noor University
- ❖ Teaching Economics for Bachelor Students of Industrial Engineering in Payame Noor University

- ❖ Teaching Introduction of Psychiatric Disorders for Bachelor Students of Psychology in University of Applied Science and Technology (UAST)
- ❖ Teaching Social Psychology for Bachelor Students of Psychology in University of Applied Science and Technology (UAST)
